

## We're here to support

DOJ recognized ministries/ organizations who are providing legal services to the immigrant community

The **Immigrant Practitioner Helpline (IPH)** is a technical support service *priced to fit your ministry/ organization's budget* connecting you to immigration attorneys for *on-the-spot problem solving*.

### IPH subscribers receive:

access to a network of attorneys with a wide range experience in immigration issues,

48 hours (two business days) turn around response time,

24/7 access to immigration law knowledge base,

easy-to-use online tool for submitting and tracking IPH interactions, and

inclusion in national network of churches and faith based organizations providing legal services to immigrants.
